Fire Insurance Companies, besides stemboat captains, relieved then, newspaper men, and others. In a number of inchinerhonsunds of dollars worth of property has been aved by the use of the Universal Fire Extinraisher. They are the next efficient and pracleable invention of the age for putting out fire a its incipient stages. They can be used be anylody, and are ready for use at a mornous werelig. If they were introduced but our community, many a desirantivo disconiglia beavoided. Call on Meers. McCorkie & Co., and see for yourselves.

The Custon House.

The preparatory work on the Custom House as commenced. The old stable has been removed and the exercation became. The lot purchused by the Government fronts 100 feet on Clinch and 100 on Prime streets. The building will be three stories above the ground, hesides the basement, and will be built of wrought stone. Proposals for furnishing the material have been received and forwarded to the Department at Washington, and as suon as thay are accepted the de ivery will begin and the construction commence. The supervision of this important work is in the hands of Mr. M. S. Wilds, a gentleman of energy, who will push

the work with all possibility. This adiffee will familia coeffeyment to a arge number of mechanics and laborers and the expended in our midst, proving a source of advantage pecuniarity from the start.

Seriously Injured.

The Chattanooga Tomes says that on Thersday afternoon, several passons were ordered to get down from the top of a railroud ear by a wateliman, and in attempting to do so, a colored boy named Jim Spencer, fell in front of theces, and the switch engine which had just been attacks backed the car over his body. He was taken to Gaines' saloon, where medical attention was oon brought. It appears by though the carwheel passed over his broad. Such being the case, we fear that his recovery is very doubtful. The boy was sufficient great poin when we say him, but did not show much signs of injuries. which are principally interest. The fittle fellow is an arphan, and recently from Knoxyllie.

Atracious Murder.

The Nasivilla Banner-wave that a colored blacksmith named Alexander, in the county of Rutherfield, was naurdered in cold blood by a white man last Thursday morning. The securediel rode up to the murdared mun's door and asked if he sold get his horse shod. Alexander said he could, and started to the blacksmith shop to perform the service requested, when the white man drew a pistol and shot him through the head, killing him instantly. The wife on beholding her numbered husband fall to the ground ran up to him, when she was also shot at by the villian, but without effect. He then put spurs to his borse and galloped away.

New Englace.

We are informed that on yesterday two engineers were sent to Lynchburg in bring on a couple of new freight engines to be used on the East Tennessee, Virginia and Georgia Rallroad Engine "No. 30" was turned out of the shops vestorday as good as now, almost, having been thoroughly overhauled. The business of this road is rapidly increasing, and the officers are going to see that nothing is left undone by them that will benefit the traveling or business public.

Mr. F. M. Wheeler, of Knoxville, Tennessee, says: "Your Symphix has done me more good in Bronchites than anything else I have ever tried, and I have used nearly every kind of medicine expansion at for that disease. I have been woulded with this affection for nearly three years, and after using only about one-half bottle of Symphix. I feel almost entirely relieved."

Accident on the Russylle and Sentucky Hattroad-Brakeman Sitted.

Asympteday more lag's mail train from Carnys ville, to which had been attached an extra train. Nashville, on the flathering prospect of the and proveste be one of the best, most nutritions on the summit of Black Oak Bldge, neared the early completion of the new line of relitered

friends.

Mr. Spears was a very solver, faithful man, caroful and attentive to his duties. Just how he came to loose his feating, or whother he jumped from the car can never be known.

Bunicipal Affairs.

The City Council met last night. Mayor Van Gilder in the chair, and a full board present.

The Mayor called the attention of the Board to the financial condition of the city, and urged to the financial condition of the case, which argon the prompt collection of the faxes, which were necessary for the payment of oil couldness bills and making further topycoversous. The regular routine was some through when Alderman Swan offered the following ordi-
